SUBSCRIPTION \$1.00 A YEAR

The Provincial Exhibition

The Provincial Exhibition to be held at Calgary June 30th to July 7th, is going to excel any previous effort made in Canada west of Winnipeg. Some of the prominent features will be:

A mechanical milking machine demonstration, with instructive lectures.

An acre yield competition, in which all the grain grown on an acre must be shown, and for which practically \$1000 is offered in prizes. This feature promises to be a great success.

An exhibit showing the different grades of commercial steers.

An exhibit illustrating the process of grading up by the use of pure bred stallions.

Actual forestry demonstration by the Dominion Tree Planting Division on a large plot on the grounds.

An art and china loan exhibit, composed of the best pictures and china from the homes of residents of Western Canada. Many families have articles of great value, brought from their former homes, and you will be surprised at the magnificence of the display. If you have any article of merit that you are willing to exhibit, the manager of the exhibition will appreciate it if you will let him know.

All freight rates are refunded on exhibits originating in Alberta.

The best music and attractions that can be secured, including the famous Navassar Ladies' Band.

Entries for the exhibition will close June 18th at Calgary.

Make up a party of your friends and enjoy a grand holiday.

Meadowbank News

Miss Jessie Manser spent the holiday in Cayley.

Mr. and Mrs. H. S. Sweet spent the holiday in Okotoks.

Mr. Wm. Murdock is having splendid success with his steam-plov this season.

The many friends of Mrs. J. Duncan will be pleased to have her in their midst once more.

Mr. Louks, inspector of High River district, spent a short time at the school on Wednesday.

Certain young ladies are lately indulging in the elusive sports of horse-back and stone-boat riding.

Miss J. Duncan, at present attending business college in Calgary, spent the week end with her parents.

We are sorry to report that a certain bachelor of the district has completely eclipsed the ladies in the matter of poultry raising, now having nearly one hundred dear and fluffy balls beneath his fatherly wing.

A small prairie fire resulted from the burning of stubble on the farm of Mr. H. Backus on Monday last. A considerable amount of hay was lost, but otherwise no damage was done, owing to the prompt assistance of neighbors.

Rev. Mr. Beaton left on Monday for Nova Scotia. We wish him a pleasant journey, and feel assured that his trip back East will only serve to fill him with greater enthusiasm for our great and growing West. Mr. Scragg of Cayley

will have charge of the Presbyterian services at Meadowbank during his absence.

A number from the vicinity spent Victoria Day in High River. They report an excellent time, the programme of sports, etc., fulfilling the highest expectations.

Little Bow News

Miss E. McDonald spent the holidays at her home in Macleod.

Mr. Jas. Glendenning shipped a fine herd of fat cattle from Cayley.

Miss Coote took a trip to Red Deer to attend a convention held there.

Messrs E. and O. Hocart and Lewis LePotourel left on May 24 for Chinook City, where they will spend the summer.

Mr. D. A. Swan's sale on the 23rd was well attended. The stock sold at quite a high price. Mr. and Mrs. Swan intend leaving in a short time for their new home in Montana. They will be greatly missed in this neighborhood.

Mr. C. T. McKenzie, one of the best known and most highly esteemed farmers of the Black Spring Ridge district, met with an accident on Friday which resulted in his death. He had been digging a well on his place and was down about fifty feet. On the day of his death he was down in the well working when he struck a vein of coal from which came a flow of gas which smothered him.

Well, the expected has happened, Premier Rutherford has resigned his position as premier of Alberta. He said, "I consider it advisable in the interest of the Liberal party in Alberta to resign." This may be true, but he might have gone further, and said that it was in the interest of the province that he resigned. This would also have been true, and would have sounded better, for from his words one would be led to believe that Mr. Rutherford had put the interests of his party first and before the interest of the province. The question is not which party is in power, but which party can serve the province the better. The party should be the servant of the province, instead of the province being used as a stepping stone for some party to climb into power by.

Has Mr. Sifton been appointed Premier of Alberta to save the Liberal party or to help the province? By our late Premier's remarks one would be led to believe that it was for the former.

Mr. A. L. Sifton may be all right for a premier, but it is to be regretted that Alberta must import its premier. Why not patronize home industry?

As a man very little fault can be found in our late premier, we are glad to say; but as a premier he lacked something.

In the Sift(ing) of the Alberta government Premier Rutherford fell through.

Cayley baseball (Sr. 9) met the High River boys on their diamond May 24th, and spent a very pleasant time. The game was close up to the 5th innings, standing 3 to 2 in favor of our boys, when an overthrow reversed the game 3-5 in favor of High River. Our boys are to be congratulated for their brilliant fight. The game ended at the end of the 7th innings 3-7 in favor of High River. The following is the line up:

A. Adamson, pitcher
A. Duncunna, catcher
T. Moyer, 1st base
G. Reeve 2nd "
W. Stewart 3rd "
F. Carruthers, short stop
G. Hill, r. field
Capt. L. Morton, l. field
C. Phillips, centre

By a large majority the city of Calgary passed a by-law that gave the council authority to raise \$126,000, to finish the city hall

The concert given in the Methodist church last Monday evening by Madam Bessie Duggan, R.A. M., and party, was certainly enjoyed by all the large crowd that attended. It was no doubt one of the choicest musical treats that Cayley has ever been favored with. The general wish is that they will come again, and that soon.

A large number of desirable settlers from Great Britain are now making their home in Alberta.

Correction—The union adult Bible class of Cayley was entertained at the home of Mr. and Mrs. Clevers, not Mrs. Elves as reported in last issue of Hustler.

The High River Methodist District Meeting was held in Okotoks last Wednesday and Thursday. Reports of progress came from all points in the district. We are glad to say that the Cayley mission nearly trebled its givings of last year. The churches at Cayley and Brant were freed of their debt this year.

As next Sunday is Conference Sunday there will be no service in the Forks Methodist church nor at the Treadway appointment. Mr. Fred Scragg will conduct the service at Cayley.

Not Enough Yet

We learn that in Alberta the pledge of hogs has not been sufficient as yet to secure from the government the erection of a pork packing plant. There is a hesitation over the signing of a pledge which demands a penalty for its nonfulfilment. We have studied the recommendations of the pork commission and also the proposition of the government, and we do not anticipate any trouble whatever.

One thousand three hundred homeseekers, bound for Western Canada, left Kansas City in March and April, according to the records of J. S. Crawford, Canadian immigration agent. These are the two heaviest months in the year. A majority of these immigrants came from Missouri, Kansas and Oklahoma.

Ranch Inspector A. Helmer says Alberta is still one of the greatest stock raising countries in the world. In the Porcupine Hills are miles and miles of grazing territory which will be used for that purpose for a long time to come. Why, the C.P.R. last year shipped about \$6,000,000 worth of stock, sending 700,000 head to Europe alone.

The question of getting a sufficient supply of horses for carrying on the work planned in the Canadian west for this season is becoming a vital one. Contractors, farmers and dealers have already brought in over 24,000 animals by way of Winnipeg since January 1, but the demand is by no means filled. Prices have climbed to a figure never before equalled in Canada, but it is simply a case of bidding in a short market where there is not enough to go round.

Crops around here are looking well. There is no cause for any alarm at present.

Ontario has 63,000 fewer farmers than there were in that province nine years ago. The great West is gathering them in.
